SCF Interiors helps the Hanna family “As seen on A Current Affair”

Back in May 'A Current Affair' introduced us to the Hannas — a family of seven being torn apart by cancer. Both mum Shartha and dad Jamal both passed away in the weeks that followed. Since then ACA viewers have donated more than half a million dollars to buy the 5 orphans a house.

Now the kids Christina, Alex, Andy, Allin and Nancy have moved in, and the next task is turning the house into a home.

New LG Hi-Macs solid surface kitchen benchtops were fabricated and installed in the Hanna family home makeover by SCF Interiors.
